

## **Welcome to the Feb/09 PG Woodturners Guild meeting.**

Hi everyone.

Well this month's project was a " Needle box or Suction lidded box" and a fine display there was with a few other items to show as well.

### **New business.**

The meet for Feb was held at Laurier's house with 15 members & guests in total.

Ron discussed about a Work Shop Weekend (now to be called a fun weekend) as the work shop seemed to put off a few people, but still no one is interested in doing the demo's at this point. Still no definite place to have it at this point either.

Bob Ramsay said that we may still be able to have the CHSS but before the end of July and not till after the last week in Aug.

Laurie brought up a reminder for everyone to get pieces ready for the 2 Rivers Gallery in June.

Laurie as told member about storage parts bins (tilt bins) that might be available from the Hart Home Hardware for cheap.

Lin Brought his laptop to show members for those that don't have a PC at home what the new logo and website looks like. Yes there are still people out there that don't have PC's

The wood Raffle raised \$49.00 this month.

Ron C did a demo on a Pool Que.

14 paid members to date

Next meeting we will make a Sphere.

### **Old business.**

Remember to look at the New Logo on the website and tell others to check it out.

Well that's about it for this month. Please remember if you need anything added or have something for sale, please let me know.
