Business

UNBC Craft Fair was a success. Art topping sales, well done Art! Ken and Ron have been volunteering with the Maker Lab on Thursday. Members are welcomed to join them @ 6:30 Thursday's. A schedule was developed for Studio Fair.

Demonstration

Ron explained how vacuuming chucking worked. A demonstration on the proper way to sand will be held next month.

Wood draw

A successful wood draw was held, thank you Bob.

Note

Members are reminded to show some courtesy during the demonstration by refraining from talking or taking their conversations out of the room.
