

Prince George Woodturning Guild Meeting

August 27th, 2015

Business

Ken called the meeting to order @ 7:10, the guild welcomed three guests to the meeting, Rick, George and Manfred.

There are a number of different events are coming this fall, the mini makers fair will be held in the plaza on September 19th. The Caribou Chilcotin Roundup will be held in Quesnel the weekend of September 26th and 27th. Bruce Campbell will be the featured turner. The cost to members for the two day workshop is \$50.00, lunch and dinner will be included. The guild voted to donate \$300.00 to the Roundup. The Quesnel wood turners will be sending directions to Vern Richardson workshop, where the Roundup will be held. Greg will send out an email closer to the event. A discussion was held on whether or not members were interested in returning to the site of the big birch and picking up some additional big birch, we decided that there was enough interest in going out in early October.

Max Muller's family has donated Max's Craft Supplies to the guild. A discussion was held as to what to do with the supplies. It was decided that the supplies would be divided up into grab bags and members would be invited to purchase the bags.

The guild has rented a table @ the UNBC craft fair on weekend of October 24 and 25th.
