

Prince George Woodturning Guild Meeting

December 28, 2017

Business

Ken welcomed everyone to the final meeting of 2017, reminding us that daylight was 3 minutes and 54 seconds longer today than Dec. 20. There is hope.

Meeting etiquette

There have been complaints about conversations going on during the business meeting and demonstration, making it difficult for those who wish to pay attention. The occasional comment or question is fine, but please save conversations for before or after the meeting.

Financial Report

Ron was absent, but Ken reported that the three participants covered that cost of the both at the Artisan Fair, which was just 10% of gross sales. The gross was just under \$800.00

Other craft fairs

Ken asked if any members had participated in any of the local craft fairs and what was the experience. It appeared to be mixed experience, some members doing well others not thinking it was worthwhile.

AGM Discussion

The 2018 AGM will be held in conjunction with the regular January meeting on the 25th of January. Annual fees of \$35.00 will be collected at the meeting. Ken asked that Greg email a list of positions and responsibilities to the membership prior to the meeting.

Safety Tips and Stories

There were no 'horror' stories or safety tips discussed.

Demos: Requests, Suggestions and Volunteers

There was no much uptake on any requests, suggestions or volunteers; we need a further discussion at January meeting

Demonstration

Art demonstrated spoon carving using a Arbourtech gouge and the lathe, carving and woodturning combined! This was Art's 4th demonstration of 2017. Thank you Art!
