

Prince George Woodturning Guild Meeting

January 29, 2015

Members present:

Mike & Thomas (visitors) George, Bob, Mark, Ray, Rory, Allan, Greg, Martin, Art, Bob (visitor) Laurie (visitor) Dale, Ken and Ron.

Business

The meeting was called to order @ 7:10 and short AGM meeting was held. It was decided to maintain the membership @ \$35 per year. It was also decided that members would continue with the same 'duties' as last year. Art's son has a credit/debit device that he is willing to loan to the guild for the use @ craft sales. A discussion took place as to whether or not the guild should invest in one for the guild. Members were asked to come up with a number of demos that they would like to see and would be willing to demonstrate. A list will be developed for both types of demos and those willing to demonstrate. At the present time there is \$2,000.00 in the bank. Richard Raffin is doing a demonstration in Olympia Washington in July. Ron will email him to see if he would be interested in doing a demonstration in Prince George. The guild discussed how to properly 'ground' ones dust collection unit. Business insurance was again discussed; Art explained how he now has to carry business insurance on his shop because he sells products from his shop. Members are encouraged to contact their insurance carriers.

Demonstration

George and Ken demonstrated how to turn an off-set pendant, using two different techniques, thanks to both!

Wood draw

A successful wood draw was held, thank you Bob.

Meeting adjourned @ 9:00 pm, next meeting February 26, @ 7:00 pm - Two Rivers Gallery.
